

HOW DO YOU APPLY TO STUDY AT TURKISH UNIVERSITIES?

In Turkey, You can have Turkish or English education in European standards at the Turkish State and Foundation Universities on many areas such as Health, Law, Political, Engineering and Social Sciences

International students must first decide on which universities and divisions they will apply by examining their application dates on their web sites in order to be able to enroll in undergraduate programs. You can pre-registered to multiple universities at the same time.

Students should primarily upload all application documents online. The documents of the candidates applying online are evaluated by the university administration and pre-registration documents are sent to the applicants via e-mail.

International students must be in the final year of high school or be already graduated. Turkish citizens studying abroad can also benefit from these programs.

Students who are temporarily admitted to the university to which they apply and who are entitled to enroll must complete the required documents and submit them to the international office of the university or to the student affairs office within the announced period for the accuracy of their registration.

WHAT YOU NEED TO DO FIRST:

1. Decide which university you are going to study by examining the websites of the State and Private universities in Turkey
2. Decide the city, the university and the department of the university that you will be studying.
3. We recommend that you pre-register at more than one university before the exact registration date.
4. If you want, you can apply by the help of our association pre-registration form and you can get advice from us. (<http://issa.org.tr/ucretsiz-tercih-danismanligi/>)
