ABOUT THE TURKISH UNIVERSITIES

You can receive education languages of Turkish or English at European standards in any field you want at private and public universities in the country. (Medicine, Pharmacy, Dentistry etc. Health Departments, Engineering, International Relations, Social Departments and Law etc.)

Public universities are very cheap but generally Turkish education is provided and Students are taken by YÖS exam to bachelors. Private universities are paid but the language of education is Turkish / English and registration is done without examination and is done according to high school diploma grade.

YÖS exam is not required for postgraduate education in the Turkey, it is sufficient to graduate successfully from your university. Some universities may request additional documents. Enrollments can be made in both semesters in spring and autumn. Duration of education is 2 years for Associate Degree, 4 years for Bachelor's degree, 2 years for post-graduate and 4 years for PhD.

STEP BY STEP PRE-REGISTRATION APPLICATION

STEP 1:

First of all, are you going to study at a public or private university? You should decide this. Next, which department would you like to study? You can start the registration process by entering www.issa.org.tr address.

STEP 2:

Please, Fill the registration form completely.
We will investigate Turkish Universities on your behalf according to the information we received. Then we will suggest the 3 most suitable universities to you.

STEP 3: (Final Registration)

We will receive a pre-acceptance registration certificate from the university. Then, we will pay the registration fee of a university between the registration dates and make the final registration.
(The enrollment dates of the university are different and usually between June and September)

STEP 4:

You will come to Turkey and deliver original documents by hand on the week of opening the university where you have registered. Then you will start your education life in Turkey.

EDUCATION FEES AND SCHOLARSHIP OPPORTUNITIES

SCHOLARSHIP:

In Turkey, there are scholarships given by the State and Social Society Organizations to successful students. These scholarships for bachelor, post-graduate and Ph.D. students cover education, accommodation and plane tickets. You can earn this scholarship after a challenging exam. Follow this website for exam and registration dates. www.turkiyeburslari.gov.tr/en

In addition, Private Universities provide scholarships at the rate of 25-50-75-100% to successful students according to their diploma grades and English levels. Students who earn this scholarship be entitled to a discount on their education fees. If you are very successful, you can earn 100% scholarship and study for free in private university (These scholarships only cover the education fee)

"Exam Result and Registration Certificate" will be issued for visa procedures at the public university.

FOREIGN STUDENT EXAM (YÖS)

YÖS is an exam for students who want to study at Public Universities in Turkey. It is organized in various languages in Turkey and in many countries, usually in April-May.

If you want to study at a public university, you have to pass the YÖS exam.

If you prepare for one year YÖS exam in Turkey before the university education, you can learn Turkish language more easily and enter the State University. If you study for one year in our YÖS courses in Turkey, we guarantee that you enroll in public universities.

If you want to study at cheap and high quality public universities, register for the YÖS Course in Turkey to prepare for the YÖS exam.

If you want to study at Private Universities in Turkey; You can register without taking the YÖS Exam. We provide FREE Consultancy in this regard.

For detailed information about YÖS,
www.issa.org.tr/en/yos-exam-pre-enrolment-form/
