

Atılım University

April 2020

About Us

- Founded in 1996
- Ankara / Turkey
- Foundation University
- 9000+ students
- International students from 64 different countries
- 11.000+ alumni
- Partnership agreements with 80+ universities
- 160+ laboratories
- 14 research and application centers

Programs

- 8 Schools
- 3 Graduate Schools
- 42 Undergraduate
- 33 Master Programs
- 12 Ph.D. Programs

School of Engineering – Bachelor’s Programs (English)

- Computer Engineering
- Electrical & Electronics Engineering
- Information Systems Engineering
- Energy Systems Engineering
- Industrial Engineering
- Manufacturing Engineering
- Civil Engineering
- Chemical Engineering and Applied Sciences
- Mechatronics Engineering
- Automotive Engineering
- Software Engineering
- Metallurgical and Materials Engineering

School of Management – Bachelor’s Programs

- Public Relations and Advertising (English)
- Economics (English)
- Economics (Turkish)
- Management (English)

- Architecture
- Interior Architecture and Environmental Design
- Industrial Product Design
- Graphic Design
- Fashion & Textile Design

- **School of Law (Turkish)**
- **Medical School (English)**

School of Health Sciences (English)

- Nutrition and Dietetics
- Physiotherapy and Rehabilitation
- Nursing

School of Civil Aviation (English)

- Pilot Training
- Aviation Management
- Avionics
- Airframe and Power Plant Maintenance

Flight School and Hangar

Medical School

Graduate School of Naturel and Applied Sciences – Master’s Programs (English)

- Computer Engineering
- Electrical & Electronics Engineering
- Information Systems Engineering
- Industrial Engineering
- Manufacturing Engineering
- Civil Engineering
- Chemical Engineering and Applied Sciences
- Mechatronics Engineering
- Mechanical Engineering
- Software Engineering
- Metallurgical and Materials Engineering
- Mathematics
- Applied Physics

Graduate School of Social Sciences – Master’s Programs

- European Union (Turkish)
- Translation Studies (English and Turkish)
- Finance (Turkish)
- Applied Economics (Turkish)
- Public Relations and Advertising (Turkish)
- Interior Architecture and Environmental Design (Turkish)

Application Process

- We assess each application individually. Evaluation may take 2 weeks.
- When the evaluation report comes to the International Student Resources Department, there should be a committee decision required for final result. This committee decides the candidate's final acceptance status. After the committee result, all the candidates are informed about the result.
- The committee decision is conditional, it is valid for 45 days only, if the candidate pays 1.000 USD deposit (2.500 USD for School of Medicine), candidates will be informed about the status changes during the evaluation process.
