# WHY TURKEY?

- ▶ *Turkey is a modern country full of natural and historical beauties where social life is perfect.*
- ▶ *Prices for living in the Turkey and education at the university are much cheaper than in America and Europe. Diplomas are also valid in Europe.*
- ▶ *There are quality education opportunities at European standards.*
- ▶ *There are many opportunities to find a job in your country or Turkey after graduation.  
(Especially in the field of health)*
- ▶ *While studying at the university, there are part-time study opportunities.*
- ▶ *There are scholarship opportunities for successful students.*
- ▶ *There are nearly 8 million students studying in more than 200 universities in the Turkey.*
- ▶ *There are 190 thousand International Students studying in the Turkey There are students from all countries.*

# ABOUT THE TURKISH UNIVERSITIES

- ▶ *You can receive education languages of Turkish or English at European standards in any field you want at private and public universities in the country. (Medicine, Pharmacy, Dentistry etc. Health Departments, Engineering, International Relations, Social Departments and Law etc.)*
- ▶ *Public universities are very cheap but generally Turkish education is provided and Students are taken by YÖS exam to bachelors. Private universities are paid but the language of education is Turkish / English and registration is done without examination and is done according to high school diploma grade.*
- ▶ *YÖS exam is not required for postgraduate education in the Turkey, it is sufficient to graduate successfully from your university. Some universities may request additional documents. Enrollments can be made in both semesters in spring and autumn. Duration of education is 2 years for Associate Degree, 4 years for Bachelor's degree, 2 years for post-graduate and 4 years for PhD.*

# SCHOLARSHIP OPPORTUNITIES

- ▶ *In Turkey, there are scholarships given by the State and Social Society Organizations to successful students. These scholarships for bachelor, post-graduate and Ph.D. students cover education, accommodation and plane tickets. You can earn this scholarship after a challenging exam. Follow this website for exam and registration dates for scholarship details. >>>*

[www.turkiyeburslari.gov.tr/en](http://www.turkiyeburslari.gov.tr/en)

- ▶ *In addition, Private Universities provide scholarships at the rate of 25-50-75-100% to successful students according to their diploma grades and English levels. Students who earn this scholarship be entitled to a discount on their education fees. If you are very successful, you can earn 100% scholarship and study for free in private university.  
(These scholarships only cover the education fee)*
